

TEACHING AND LEARNING PROGRAM

Rich Central students now will have an opportunity to receive the extra help they need. Each week (**Monday through Thursday**) the Media Center will have teachers from **Math, Science, Social Studies and Language Arts** available for tutoring. This new Teaching and Learning Program will also offer computer access and research materials. The Teaching and Learning Program will run from **3:15 until 4:15** while the Media Center will remain open until 6:30 for students to complete assignments and use the school's resources.
